

Mike Hull has 33 years of Law Enforcement experience with various agencies. He started his career with the National Guard Military Police at age 19, then three years with Va. Department of Corrections, two years in Physical security with Virginia Power, and retired as a Special Agent after serving twenty seven years in law enforcement with the Virginia Department of Game and Inland Fisheries.

Hull has spent thousands of hours learning tracking and foot impression evidence preservation from experts, and developing and teaching specific law Enforcement classes to Local, State and Federal Police Agencies

Mike Hull is an adjunct Instructor for Tactical Tracking
